

Fleet Card program

that puts you, the manager, in control!

Give your drivers a fueling card that lets them purchase at any local GET N GO location.

Convenient acceptance

- Accepted at all Get N Go locations and TC's Mini Mart regardless of brand
- Visit www.getngo.com for a complete list of locations

Customized card management

- Set spending and usage limits for each card, by day, week or cycle
- Purchases may be restricted during off hours
- Cards may be limited to "fuel purchases only" or "purchase at the pump only" to prevent convenience store purchases

Security and fraud controls

- Set prompts to ask for driver number and the transaction will not be approved unless the correct number is entered
- Only fleet managers can gain secure online access to driver account information
- Lost or stolen cards or cards of ex-employees may be deactivated immediately via the online website

Complete online control

- Access real-time account information through our easy-to-use website, 24/7
- Control purchasing ability for each card, including the ability to shut cards off, request new cards, or change spending/transaction limits by card
- Immediately monitor after-hours purchases, daily transactions and daily dollar amounts - you can set our system to flag data for all purchases made outside established limits
- Variety of comprehensive reports available sorted by driver, vehicle, MPG readings or any of several other options.

Available reports include:

- Invoice Report
- Exception Report
- Cardholder Report
- Miles per Gallon Report
- Vehicle Report
- Product Summary
- Merchant Location
- And dozens more!
- Activity Report

Simplified fees and billing

- Receive invoices online free of charge
- Paper statements available for a fee
- Receive reminder e-mail that your statement is ready to access and print.
